

MTAS Literature Reviews: magazine/research article, book, video, podcast/webinar

A separate form must be completed for each publication review.
Please ensure that this form is saved for submission to your Con-Ed log.

Primary or business credit classification depends upon the subject matter being reviewed.
****Material must be within scope of practice in order to qualify for credits****
1 credit per podcast/webinar/magazine or research article; 3 credits per book or video.
